

## CARDS & CARE PACKAGE ITEMS COLLECTION

The students and staff of Boyet Junior High are invited to participate in the “Thank-a-Soldier” collection of thank you cards and care package items.

These cards and personal comfort items will be included in the care boxes which are packed and shipped 3 times per month by the Slidell Ladies for Liberty ([www.slidellladiesforliberty.org](http://www.slidellladiesforliberty.org)).

SLL is a group of women and men in Slidell dedicated to adopting and caring for LOCAL soldiers from families right here in our community, while they are deployed on active duty around the world.
